

## DC Health Language Access

---

Advancing Health Literacy & Reducing Health Disparities in the District

**Office of Communication and Community Relations**

---

## Objectives

- 1. CLAS** – Provide a brief overview of the National Standards for Culturally and Linguistically Appropriate Services (CLAS)
- 2. DC Demographics** – Become familiar with the District’s Limited English Proficient and Non-English Proficient (LEP/NEP) community demographics
- 3. Laws & Requirements** – Gain an understanding of the District of Columbia’s laws and regulations governing Language Access
- 4. Resources & Tools** – Learn about available Language Access resources and best practices.

## Terminology

Who is a Limited English or Non-English (LEP/NEP) individual?

### LIMITED ENGLISH PROFICIENT (LEP)

A person who has a **limited** ability to speak, read, write, or understand English.

### NON-ENGLISH PROFICIENT (NEP)

A person who is **unable** to speak, read, write, or understand English.

**NOTE:** Being foreign-born does not necessarily indicate LEP/NEP. Many foreign-born residents are proficient in English.

# Terminology

What is the difference between an **interpreter** and a **translator**?

**Interpreter** 

- Change spoken word from one language to another in real time.
- Instead of translating the entire spoken language, they aim to transfer the same meaning and/or message.
- May interpret simultaneously or consecutively.
- They complete their task orally.

**Translator** 

- Convert written language from the original language to the target language.
- Has time to translate the entire text in written form and may use glossary/dictionaries.
- They complete their task in writing.

## **CLAS STANDARDS**

---

Discuss the National Standards for Culturally and Linguistically Appropriate Services (CLAS)

---

## What is CLAS?

- The National CLAS Standards are intended to advance health equity, improve quality, and help eliminate health care disparities by establishing a blueprint for health and health care organizations.
- They can be adopted and modified for non-health or healthcare organizations.

CLAS is services that are respectful of and responsive to each person's culture and communication needs.

### CLAS helps you consider:

- Cultural health beliefs
- Preferred languages
- Health literacy levels
- Communication needs

### CLAS helps make your services:

- Respectful
- Understandable
- Effective
- Equitable

# What are the National CLAS Standards?

## Governance, Leadership, and Workforce

- Train staff in CLAS
- Recruit a workforce representative of community served
- Create and support a designated CLAS position

## Communication and Language Assistance

- Offer comprehensive language assistance services
- Require interpreters' skills to be certified or assessed
- Use advanced technology for interpretation services

## Engagement, Continuous Improvement, And Accountability

- Improve collection of race, ethnicity, and language data
- Conduct organizational assessments
- Incorporate CLAS into mission, vision, and strategic plans

# National CLAS Standards in the works at DC Health

## Governance, Leadership, and Workforce

- Provides language access and cultural competency training
- Provides guidance on best practices on providing Language Access services and conducting community outreach

## Communication and Language Assistance

- Provides culturally and linguistically competent translation and interpretation services
- Works with MOCA agencies and bilingual personnel to provide QA on documents and social media campaigns.

## Engagement, Continuous Improvement, And Accountability

- Collects and monitors data on language preference to help inform policy, resources and recruitment efforts.
- Partner with CBOs, faith based and government agencies serving diverse populations.

## Discussion:

---

Now it's your turn! What are some ways that your organizing is using or can implement CLAS standards?

---

## Demographics

# District of Columbia's Foreign-Born Population Demographics

Demographic Profile

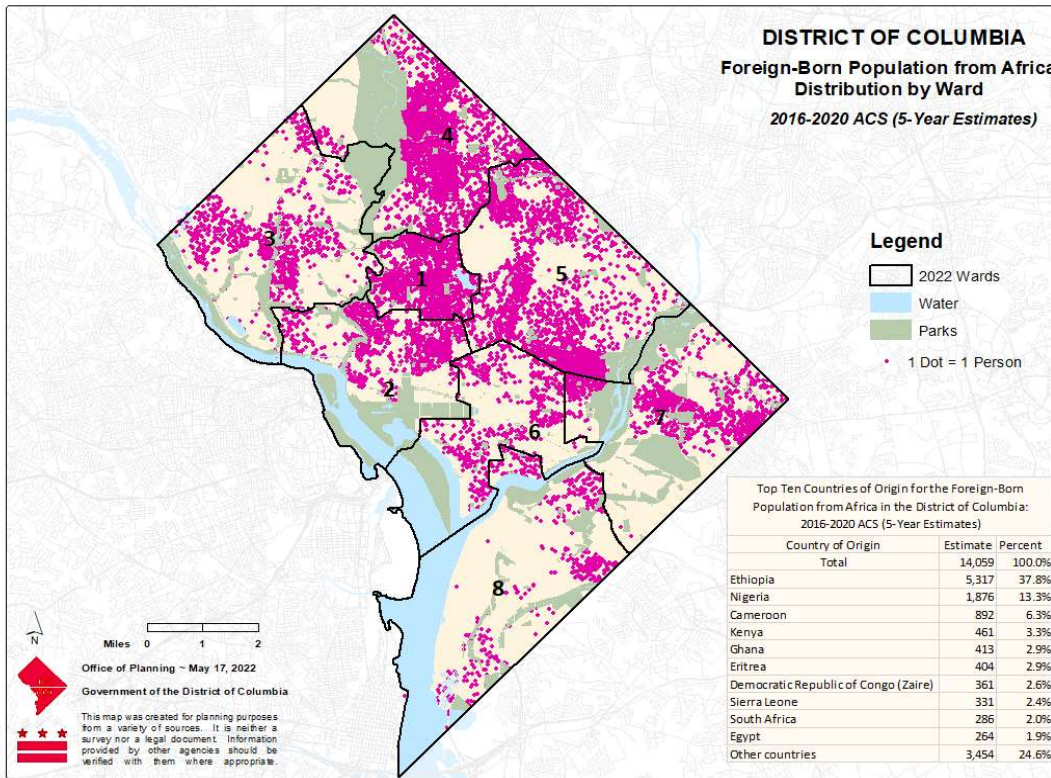

Distribution by Ward

**Note:** Being foreign-born does not necessarily indicate an LEP/NEP status. In fact, some foreign-born residents are highly proficient in English. This Context simply helps illustrate DC's diversity.

# District's Foreign-Born Population - Africa

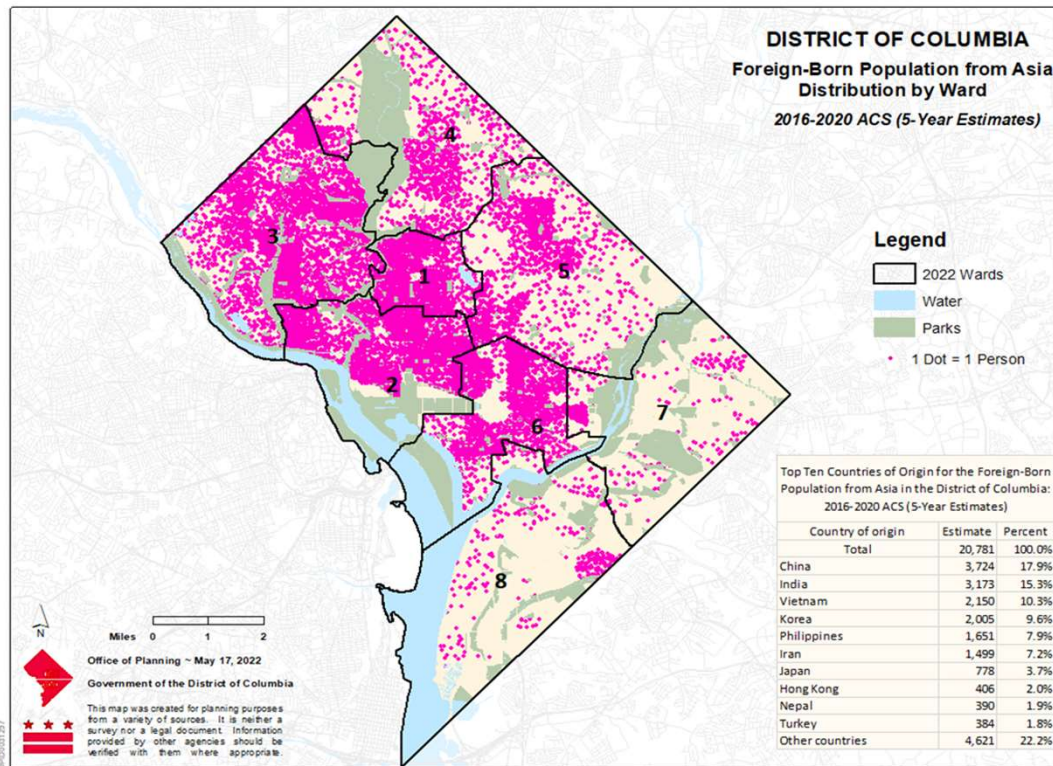

Top Ten Countries

- Ethiopia
- Nigeria
- Cameroon
- Kenya
- Ghana
- Eritrea
- Democratic Republic of Congo
- Sierra Leone
- South Africa
- Egypt

# The District's LEP/NEP Population: Language Proficiency

Data from the 5-Year estimate (2016-2020) U.S. Census Bureau's American Community Survey (ACS)

Total number of DC residents: 701,974

Foreign-born population: 94,193 (13.4%)

## Language Spoken at Home:

- 17.2% (113,022) of the population 5 years+ speak a language other than English at home.
- 5.7 % (37, 257) of the population 5 years+ speak English less than "very well"

Language Ability	US Born	Foreign-Born
Population 5 years and older	<b>562,672</b>	<b>93,419</b>
Speak Only English	<b>91.7%</b> (517,109)	<b>28.8%</b> (26,930)
Speak English "very well"	<b>7.1%</b> (39,741)	<b>38.6%</b> (36,024)
Limited/Non- English Proficient (LEP/NEP)	<b>1.2%</b> (6,792)	<b>32.6%</b> (30,465)

Being US-born does not guarantee English proficiency, just as being foreign born does not automatically indicate an LEP/NEP status.

## **DC Language Access Act of 2004**

---

Provide an overview of the District of Columbia laws and regulations governing Language Access Compliance.

## The Law

### DC Language Access Act of 2004

Enacted on April 21, 2004, the purpose of the Act is to provide **greater access to and participation** in public services, programs, and activities for the District's limited English or non-English proficient (LEP/NEP) constituents at a level equal to that of English proficient individuals.

<http://ohr.dc.gov/publication/dc-language-access-act-2004-english>

# The Law

## Who is covered under the Law and what is a “covered entity”?

- **Covered Entities (§ 2-1931 (2))**

Any District government agency, department, or program that furnishes information or renders services, programs, or activities directly to the public or contracts with other entities, either directly or indirectly, to conduct programs, services, or activities.

Includes **39 District Government Agencies**: ABRA, CFSA, CSSD, DBH, DCRA, DCLB, DGS, DOC, DOES, DOEE, DOH, DHCD, DCHR, DHCF, DHS, DMV, DPR, DPW, DSLBD, DDS, DDOT, DCHA, DCOZ, DCOA, DCPL, DCPS, DYRS, FEMS, HSEMA, MPD, OAH, OCP, OHR, OP, OPC, OTA, OTR, OSSE, OUC, and their grantees.

**Note:** This includes All DC Health contractors, providers and grantees that receive district funding and provide public services on behalf of the agency.

*The regulations provide interpretational guidelines for the law (Chapter 12).*

# OHR's Language Access Program

- Established by the Language Access Act of 2004 to be housed at the Office of Human Rights (OHR)
- Charged with coordination and oversight of district-wide implementation of the Language Access Act
- Consults with the Mayor's Ethnic Constituency Offices and the DC Language Access Coalition
- OHR's LA Program has **4 major responsibilities:**
  - i. Technical Assistance
  - ii. Compliance Monitoring
  - iii. Enforcement
  - iv. Outreach and Education

District of Columbia Office of Human Rights

# What does the Language Access Act (LAA) require?

All Covered Entities (including funded entities) are required to:

## 1. Provide Interpretation Services

Provide oral interpretation services through qualified telephonic, virtual or in-person interpretation or bilingual staff to ALL LEP/NEP customers who seek to access or participate in the services, programs, or activities offered by the covered entity.

## 2. Translate Vital Documents

Translate vital documents once language encounters reach 3% or 500 individuals of the total population served or encountered.

## 3. Training

All DC Health team members and grantees/contractors should be trained once at on-boarding, receive refresher trainings as needed or required.

## 4. Outreach

Conduct outreach to LEP/NEP populations about their rights and services including bilingual outreach materials and advertise the availability of LA services and events through targeted media outlets and community-based partners, among others.

## 5. Data Collection

Collect, report, and analyze data on the demand for services in languages other than English. Update existing databases, applications, and tracking systems so that these tools capture both public demand and language needs

# Language Access Act of 2004 Signage Requirement:

## Language Identification Poster

- Tailored for DC’s most common languages, it is available on the OHR website for easy download.
- Should be present at all public facing locations and must be always placed in a visible location.
- Excellent tool to identify a speaker’s language. Language Line can also assist if you are unsure.

§ 1205.18 of Chapter 12, TV DCMR

Vietnamese

If a LEP/NEP customer refuses the interpretation or translation services you offer, the customer must sign this form in order to waive his/her rights to language assistance.

The form **should be made available in the language of the customer** and confirm that the LEP/NEP customer is voluntarily waiving his or her right to free interpretation and/or translation services.

You can read the form over Language Line if the language you need is not available.

## Knowledge Check

---

### Can minors provide interpretation?

**NO!** Minors (under 18 years old) should never be asked or allowed to provide interpretation.

# Language Access Complaints

The Language Access Act provides for the filing of **Formal** and **Informal Complaints** by customers who are LEP/NEP.

- LA complaints can be filed in-person, over the phone, via email, or online using a multilingual form.
- OHR conducts a pre-investigation resolution process before assigning LA complaints for full investigation.
- Complaint forms are available on OHR's website in six (6) languages:  
<https://ohr.dc.gov/page/LAportal/public>

## Discussion:

---

1. Prior to today, did you know about the Language Access Act of 2004?
  2. How does your organization provide language access to LEP/NEP members?
  3. What are some challenges, if any, in providing language access?
-

# Outreach

1. When creating flyers or other outreach collateral ensure that you incorporate the LA taglines.
2. For English only flyers you should include the tagline in ALL languages.
3. For language specific flyers you can simply include the targeted language tagline.

The tagline is still necessary to inform LEP/NEPs about how to arrange language support for the event.

The header includes navigation links: Home, About OHR, File Discrimination Complaint, Services, Education & Awareness, The Commission, and Language Access. Below the header is a search bar and a 'Listen' button. The main content area features the Office of Human Rights logo and the title 'Language Access Program Information Portal'. A large graphic with a speech bubble icon and the text 'LANGUAGE ACCESS PROGRAM' is prominently displayed. Below this, the text reads 'District of Columbia Office of Human Rights'. A welcome message states: 'Welcome to the Language Access Information Portal'. A list of language access options is provided: Amharic, Chinese, French, Korean, Spanish, and Vietnamese. A paragraph explains the program's goal: 'The Language Access Program is dedicated to removing language as a barrier to obtaining information and services from the District government. Whether you are a member of the public or a District employee, this is where you can find resources to help you understand and fulfill your language access rights and responsibilities.' A list of links is provided: 'About the Language Access Program', 'Resources for the public', 'Requirements and resources for covered entities' (with sub-links for 'Toolkit for covered entities'), and 'Requirements and resources for covered entities with major public contact' (with sub-links for 'Toolkit for covered entities with major public contact').
